Forum for Expatriate Management's EMMA Winners Revealed

We are pleased to announce that TEAM Allied came a close second in the International Moving Company of the Year category at the annual European Expatriate Management and Mobility Awards (EMMAs).

Three hundred and seventy global mobility professionals descended on London last night for The Forum for Expatriate Management's grand gala dinner and the presentation of the EMMAs.

Following last month's ceremony in New York, announcing the US winners, last night's event was a glorious finale to what many are calling 'The Oscars of the global mobility industry'. Winning an EMMA is the ultimate accolade for any Global Mobility professional.

With over 240 nominations in 15 different categories from Global Mobility professionals around the world, an independent panel of judges had worked tirelessly to create a shortlist and then establish the 15 deserving winners.

The International Moving Company category result was:

International Moving Company **Sponsored by AXA PPP Healthcare**

Winner: Robinsons Relocation
Runner Up: TEAM Allied
Highly Commended: Sterling Relocation

Congratulations to all at TEAM for their superb efforts in 2010 - let's win it next year!
