Storage

We store for both private people and companies

* We can store furniture, company archives, IT equipment, data eg..
* You can either choose to pack yourself or let ADAM do it. As ADAM is an expert in packing and have educated personnel – then it is often the best solution to secure your valuables. Furthermore, we have special moving boxes and cartons for glasses etc.

Facts about Archive Storage

* Climate controlled
* Monitoring temperature and humidity
* Average temperature approx. 12 degrees (not below 11 degrees)
* Optimum conditions for document storage
* Admission control
* Anonymity
* Secure and environmental correct destruction
* Find the documents and deliver it by courier

Type of Containers
We can store in 32 m3 steel containers which are ideal for large quantities, and 6 m3 tree containers which are suitable for furniture in all sizes.

Delivery of Storage
It is possible on weekdays against a fee to get admission to your stored goods. Please call a couple of days before enabling us to have your container ready for you.

Prices

* Depending on how much and what you want to have stored
* To give a binding offer on larger quantities, whether it is archiving or furniture, we need to make a survey, which is free of charge and not binding.

Insurance

* We can offer to arrange an insurance against water, fire and theft.
* Most insurance companies are able to transfer your insurance from your old address to ADAMS Transport Co. ApS.
